BIORHYTHM CHARACTER ANALYSIS AND COMPATIBILITY is used in this newsletter. The news media says what happened, THE TRUTH tells why. Each day has its own set of biorhythm numbers. They tell our true character just as astrology does. This is much easier. To do a chart that shows the ups, downs & critical days, another set of numbers would need to be added to the personal numbers. The personal numbers tell what we are like in our hearts.

FERRARO CHALLENGES REAGAN

Personal Biorhythm Numbers

	Confidence	Emotional	Mental
Reagan 2-6-11	18 (57%)	1 (93%)	26 (58%)
Ferraro 8-26-35	21 (83%)	22 (57%)	2 (88%)

Democratic Vice-President nominee Geraldine Ferraro says President Ronald Reagan is not a good Christian. His domestic policies show that. She also charges the Reagan Administration with frightening the American public with the consistent use of military action. "We must change the policy of using troops first before diplomats." She said there must be a reason for Americans to fight & die for their country. "In Lebanon there was no reason."

Reagan is a natural parent type (#1 emotional). They care mainly for their own family & not the families of others. They feel everyone should work for a living & do not want their taxes going to support these "lazy" (poor) people. Reagans policies shows he is against helping those who will not or cannot help themselves.

Natural parent types are fearful of enemies invading their homes. They will fight easily like any parent would who feels threatened. They are focused on home & family & are not good with foreign policies.

Another natural element of the natural parent type is religion. These religious people would care only for their own & trying to get people to conform to them & obey them. In the missions where they go to "help" those who are down & out they force them to listen to religious sermons before they get fed. This treatment shows they are there to get recruits not that they really care. If they really cared they would just give.

Ferraro cares about all people & things (#22 emotional). She is not limited to her immediate family like Reagan is. Reagans confidence is a bit low (57%). This causes him to do macho things to prove he is a real man. This accounts for the Grenada Invasion & the loss of 279 young Americans in Lebanon. He was flexing his macho muscles. Ferraro has a lot of confidence (83%). She does not have to get Americans killed to prove she is a real woman.

Reagan needs to be heard (58% mental). He would be very bossy. Ferraro needs to lead or control (88% mental) & that is what this country needs, a leader, not a bossy parent. We need Ferraro for President.

LIKE MOTHER LIKE DAUGHTER Liza Minnelli has gone into the Betty Ford Center for Drug & Alcohol abuse. Her mother, Judy Garland, died 6-22-69 of a drug overdose when Liza was 23 years old.

	Confidence	Emotional	Mental
Lisa 3-12-46	11 (4%)	7 (50%)	12 (27%)
Judy 6-10-22	16 (39%)	3 (79%)	9 (46%)
Compatibility	5 (57%)	4 (71%)	3 (82%)

They were overall 70% alike. They could have been each others best friend.

Lisa & Judy both lack confidence (4% & 39%). That would make them feel insecure & inferior. I said "feel" that way. It does not mean they are inferior. They are naturally shy & have put on a front in public.

These two women are both martyrs (27% & 46% mental). They are attracted

to trouble. Death is something that is always on their minds. Drugs & Alcohol will bring them a lot of the trouble they seem to seek. They would have given them the courage to face the public. They both have trouble letting go of what is hurting them. They have to give themselves permission and even then it will take them a long time to do it. Liza has done that by going into the Betty Ford Center.

Children learn to cope with problems the way a parent does. Parents are our role models. Liza saw Judy take drugs & alcohol to cope. Judy set the example & now Liza is doing the same thing.

Numbers

Both Moore & Berlitz interviewed Allen/Allende but this man seems to be missing now as are others involved with this case & are not available for interviews.

When Allen was 18 years old, in October 1943, he claims he saw a navy ship disappear. He said the U.S. Navy used Einsteins theories to make a destroyer invisible & teleported it from Philadelphia to Norfolk-Newport News-Portsmouth area & back again.

Carl has all low percentages. This means he would be a glib talker, a salesman, a CONMAN. He is a martyr type (27% mental). He is good at details, is attracted to the different & unusual & to trouble. He needs variety & change. He would rather start something than be bored.

Carl is described as being a legpuller. Once he purportedly feigned a heart attack. He did such a good job at it that the doctors had to run 3 EKGs just to make sure he was kidding. His #9 emotional puts him in the sadistic/teasing sense of humor range.

It was Carl Allen who started this

whole thing probably as a joke & to relieve the boredom.

Berlitz, a writer of language books, took up on this & spread the word. Berlitz is a natural child type (#17 emotional) who will do anything to get attention & spreading this story gave this to him. He is a born actor.

Moore is a parent type (#2 emotional). They cater to & protect the child type. Moore is excellent with the details of something (3% mental. Not the intelligence) but he does not see the overall picture. Even if Moore realizes he was wrong he would not want to admit it because he does not ever want to be wrong about anything.

Enjoy the movie as just science fiction. Allen was putting people on & some of them are falling for it. Guess life was boring for them too.

TIBITS

The 1976 Olympic audience commented that Romanian gymnast Nadia Comaneci (11-12-61) did not smile. She didn't because she is shy (22% confidence). She was the first in the history of the Olympics to receive a perfect 10. She received 7 perfect scores. Nadia is a natural pleaser (#23 emotional) & needs to be in control (82% mental).

Mass killer Charles Whitman (born 6-24-41) killed 16 people from the Texas Tower in Austin on 8-6-66.

Richard Speck (born 12-6-41) murdered 8 nurses in Chicago Illinois 7-13-66.

Both of these men were natural loners who needed people now & then. They had the same mental number 18 (9%). That made them excellent with details. They both had trouble letting go of their problems because they did not want to have to admit they could be wrong about anything.

Their personalities were 81% alike.

Would someone send me the birthdate of James Oliver Huberty who killed 21 in San Ysidro, Calif?

Burt Reynolds (2-11-36) has inner ear problems. He gets dizzy and can't fly. Mommy type

Loni Anderson (8-5-46) is nursing the adult-child type Burt.

 Champion Discus Thrower Al Oerter (9-19-36) Gold Metal winner in the 1956, 1960, 1964, 1968 Olympics. He continues to be one of the nations top discus throwers. Al has a 91% physical. This gives him the stamina to continue with this even tho he is 47 years old.

Frank Sinatra (12-12-15) & Jackie Onassis (7-28-29) have a liking for one another (50% emotionally compatible). They can hear the other (64% mental). There is not a physical attraction (22%). What they have here is a so-so friendship & would not be good for marriage.

On 4-13-84 Engelbert Humperdinck (5-2-36) had an attack of muscle spasms & paralysis. He thought he was going to die. On that day his physical & emotional were high & the next day they were critical. His mental was low.

He is alright. It was a damaged nerve in an inner ear. This was temporary. With all his rhythms going low this would have made him feel down for awhile.

Actress Lauren Tewes (10-26-53) was replaced as cruise director on "Love Boat." There were rumors that she was hard to get along with. Lauren is a natural bully (22% confidence with 94% mental).

Singer Julio Iglesias (9-23-43) is known as the "Latin Elvis." He is opposite of Elvis. Elvis had all high percentages (dynamic in action) & Julio has all low per-

centages (dynamic with talk).

COLLINS & MOBLEY TV host Gary Collins & former Miss America Mary Ann Mobley are married. They say they are different in personality but they share the traditional values. Their children learn to say please, mam, sir & to have respect for others.

Compatibility		0 (100%)	12 (7%)	8 (51%)	

There is a strong physical attraction (100%). This is what drew them together. They both are romantics & need romance more than sex (22% physical).

Mary Ann said she was drawn to Gary's gentleness & his kindness. He is a very nice person. He is so nice he would let people walk all over him & he would put their needs before his own. He needs to learn to be more selfish. He has trouble saying no (22% confidence) & so does Mary Ann.

Mary Ann has a chronic health problem. This could stem from the lack of love (7% emotionally compatible). They cannot give the other their kind of love, the kind of love one needs to stay healthy and happy.

Mary Ann says she talks and talks & Gary is quiet. Gary's 15% mental does not like small talk. These two could hear one another providing they listen with both ears (51% mentally compatible). Married people tend to listen with half an ear & seeing that Mary Ann talks so much Gary would have to tune her out. Mary Ann has all low percentages & that would make her a good talker.

Because the love is missing this marriage might not survive after the kids grow up & leave home.

Get a biorhythm compatibility done before you marry. If you are already married it will help you see where your problems are and will help you cope better or maybe it would be best to get out. See order form on this page.

MICHAEL JACKSON - ANOREXIA?

Michael Jackson 8-29-58

Confidence >12 (4%)
Physical 18 (29%)
Emotional 13 (21%)
Mental 13 (21%)

Michael is a child type (#18 emotional) who needs more attention than the average. One might think the adulation from the public will do it but that is detached & not personal. He needs the attention from those with whom he is involved.

Lately the talk among the family has

been about The Jacksons going on the road. Michael wants to be the center of attention, not one of a group.

There is a fear that Michael has anorexia, the disease that killed Karen Carpenter. He is 5'9" tall & used to weigh 120#s. Now he weighs 105 lbs. He wants to retain his youth.

Michael is the type who can con people. He can also use dis-ease (not at ease) to get attention. He will use it as

long as he needs to. If he carries it too far it could kill him.

Michael is a martyr (21% mental). That makes him self-destructive. He will solve problems the way a child would. Using dis-ease to get attention is childish.

It is obvious he is tired & wants a rest even before the tour started. On 6-26-84 he collapsed. On that day his energy was high. Imagine what would or could happen if it had been low. Michael keeps playing all kinds of games instead of saying he is tired & needs a rest. No one is better at game playing than a natural child type.

In the August New Moon issue of THE TRUTH I said to LOOK NO FURTHER FERRARO IS THE ONE, & she is the one who was nominated by the Democratic Party to be Walter Mondale's running mate. I don't believe he chose Geraldine himself because they are not at all compatible & might not like one another. She would make an excellent President (all high percentages). Better than Mondale (mostly low percentages). All high percentages is one who is a doer & low percentages is a talker.

In the Republican Party, Vice President George Bush has all high percentages & President Ronald Reagan has a medium confidence (that accounts for the war action), high emotional & medium mental. So of the two here Bush would make the best president.

To find the best leader for our country I checked out each person Mondale interviewed & Ferraro was the only one, male or female who is dynamic. A dynamic person is not so likely to get us into wars. They don't have to prove themselves by this macho act. We can lean on them. They enjoy being aggressive & can control those around them. We are drawn to dynamic people. Elvis Presley was one, Bobby Kennedy was one. He would have put a dent in crime in this country if he hadn't been assassinated. When we have presidents with low confidence we have wars or stay in one that is started or have cold wars.

WORLD WAR II: Franklin D. Roosevelt was president. He had a 22% confidence. When FDR died Truman took over as President. He had 4% con-

fidence. He dropped atom bombs to stop the war. That showed the world what a "real brave macho man" he was.

KOREAN WAR: Truman was still president.

COLD WAR: Dwight Eisenhower (30% confidence) Nikita Khrushchev of USSR also had 30%. Neither had the confidence to stop that macho nonsense.

VIETNAM WAR: John F Kennedy (22% confidence). After Kennedy was assassinated, Lyndon Johnson took over & stepped up the war (22% confidence). When Richard Nixon became president he started winding down the war but did not feel confident enough to stop it (57%). Gerald Ford became president & stopped the war (74% confidence).

NO WAR: when Jimmy Carter was president (100% confidence).

GRENADA INVASION & DEATH OF 279

AMERICANS IN LEBANON: President Reagan has a 57% confidence. If it had been lower he would have had to have a bigger war to prove he is a "real man."

CONFIDENCE: Reagan has 57%, Bush 65%, Mondale 57%, Ferraro 83%.

WESTMORELAND SUES CBS

On 1-23-82 CBS Reports aired a documentary, "The Uncounted Enemy: A Vietnam Deception." It accused General William Childs Westmoreland of conspiring to suppress information on the enemy's troop strength in Vietnam.

Born 3-26-11
Confidence 1 (91%)
Emotional 5 (64%)
Mental 4 (76%)

He is suing CBS. He wants his "reputation for decency, integrity, loyalty & patriotism" restored.

Westmoreland has a lot of confidence (91%). He is a natural parent type (45% emotional) & wants to be obeyed without being questioned. The parent type

tends to be strong in patriotism & to care mainly for own family & not the families of others (ala Pres. Reagan).

Westmoreland needs to lead or control (76% mental). He is a dynamic man (all high percentages). He would be extremely bossy. By suing CBS he would feel he is getting some control back.

Westmoreland is 98% like Carol Burnett (4-26-33). She did not like a story the National Enquirer wrote about her spilling wine on Henry Kissinger so she sued & won.

These two people are so strong they cannot tolerate letting anyone get the best of them.

PEACE CORPS VOLUNTEER

Jenny Rubin 4-3-61

Confidence > 7 (39%)
Physical 7 (39%)
Emotional 22 (57%)
Mental 22 (33%)

Jenny joined the Peace Corps & went to Togo to teach villagers how to build stoves.

Jenny cares about people & things (#22 emotional). She is a pleaser. She is a romantic (39% physical). She is a martyr (33% mental) and is attracted to the unusual and to trouble.

Jenny became friends with a young native woman. This young woman was stealing some of Jenny's things. Jenny asked her father to speak to her about it. The father took her to the police instead & the police beat her up.

The young woman's friends beat Jenny to death. She was only 23 years old.
